A NEW FURNACE IS BEING INSTALLED IN DECEMBER 2024! Exterior updates include the tin roof, windows, vinyl siding and the large decks. The Seller has the tin for a Buyer to complete the roof on the garage as well. A handy foyer addition was completed in 2010 adding a ton of space to drop coats and boots or for additional storage. In moving inside the open concept main has tasteful and durable new vinyl plank flooring throughout - this is a no carpet home. The kitchen has tons of cabinetry and counter space, an included appliance package and still plenty of room for a large dining table. The two upstairs bedrooms are generous sizes and both have closets, the bathroom is fully updated with a deep soaker tub and new vanity. The basement remains

unspoiled, waiting for your finishing touches and houses the laundry and utility area and there is a large room that could be utilized as a family room space or additional bedroom. A flexible possession date is available, schedule your private viewing today and make Maidstone home.
