Residential on 0.16 Acres

NONE, Spirit River, Alberta

This great little home is solid, and has had many upgrades over the years. To best of knowledge it was built in 1905, and moved onto the basement in the mid 50s. Garage is newer. The oldest window on the main floor is the living room window and it is 1972 and is in good shape. You have 2 bedrooms, and a good size family room and smaller kitchen, which boasts new cabinets. The basement features huge family room, laundry and cold storage. This home boasts a cute front entry and large back deck. You get a huge lot, and 20 x 24 heated garage with great cement floor. The power is 100 amp. This is a great starter home or for down sizing, or investment. Call to view today
