The Whistler's front porch and foyer welcomes you into this comfortable family home. The large, open concept main floor is ideal for simple mornings around the breakfast bar, lively family meals in the dining room, and relaxing nights spent in front of the electric fireplace. With a walk-in pantry and mudroom just off the garage, clutter always remains out of view. When it's time to get to work, the dedicated den is the ultimate space to focus. The spacious second floor, with four bedrooms and multiple walk-in closets, gives each family member their own space. While the main floor encourages shared family moments, the second floor allows for "me time" in the spacious bonus room.
