Crystal Shores, Okotoks, Alberta

Just steps from the lake! Imagine raising your family in a home where every season brings a new adventure. From summer paddleboarding to winter skating, living just doors away from the Beach House means the lake becomes your everyday playground.

Inside, the open-concept main floor is designed with family life in mind – easy flow between the kitchen, dining, and living spaces makes everything from busy school mornings to weekend movie nights a breeze. The walk-through pantry offers incredible storage for Costco hauls and after-school snacks, while the east-facing backyard keeps the home cool in the evenings, perfect for backyard BBQS and games of tag.

Upstairs, you'll find five spacious bedrooms and four full bathrooms – so everyone gets their own space. The primary suite is a true retreat with a soaker tub and walk-in closet, perfect for those rare moments of peace and quiet.

The cozy bonus room with a gas fireplace makes the perfect movie lounge for winter evenings – popcorn, blankets, and all.

Downstairs, the illegal 2-BEDROOM SUITE is a game changer. The possibilities here are endless, whether it's space for the in-laws, independent teens, or even a home-based business.

And letâ€™s talk about that garage: heated, insulated, and full of built-in shelving â€“ ideal for all your gear, bikes, and tools.

This home has been lovingly maintained, and it shows in every detail. See for yourself â€“ and donâ€™t forget to take the virtual tour!
