Whether you're downsizing, this is perfect as you won't be sacrificing space, accommodating a growing family, or looking for a home that works for multi-generational living, this property has it all â€” and then some. Located on the Black Diamond side of Diamond Valley, this home sits on a wide, quiet street with plenty of parking, just steps to schools and only two minutes from the hospital. Alley access behind offers extra privacy and open views, while the fully fenced west-facing backyard gives you stunning big sky sunsets, open green space huge deck for entertaining, and a gravel area ideal for a firepit or extra storage. Inside, you will find 9ft ceiling on the main/lower level, massive kitchen is a dream come true for chefs and bakers alike, offering an abundance of counter space, custom maple cabinetry, a skylight, a corner pantry, and room for an extended family-sized dining table with additional space for a China cabinet or built-ins. The open-concept layout is highlighted by new light fixtures throughout the main floor, 9â€™™ ceilings, and a cozy living room anchored by a gas fireplace. The primary bedroom features a walk-in closet and a 4-piece ensuite and big windows, fitting a king

easily and offering extra space for whatever you might want. The two additional bedrooms are bright and an excellent space for kiddos or a home office + +. The full bathroom just off the bedrooms, perfect for guests or kids on the main level.

Downstairs, the partially finished basement but it is ready to function right away, as most of the work is done! Over 1300+ sq ft, it feels like a second bungalowâ€™ with a huge family room, a fourth bedroom, and a full bathroom already complete. Just add flooring and, if desired, a ceiling or drop ceiling to create a full finished space. Thereâ€™s also cold storage, a large storage area, a huge utility room with laundry, and room to add a fifth bedroom if needed. New hot water tank 2024, roof done on 2020, furnace is high efficiency and just was tuned up. It doesn't stop there; you will get an oversized heated garage (600+ sq ft) that is a true standout! 10'6 ceiling, 9-foot door, fully finished with 220 power for a welder, making it ideal for hobbyists, woodworkers, or anyone needing serious shop space. Its size allows you to still have cars in the garage while you work.

Additional updates include a newer roof, new high-efficiency furnace, new hot water tank, freshly planted trees, and meticulous maintenance throughout â€™ this home truly shows 10/10 and is ready for you to move in and enjoy.
