Just steps from breathtaking Fish Creek Provincial Park and walking distance to both St. Philip and Prince of Wales schools, this meticulously renovated 4-bedroom, 2-storey home offers modern updates, with mature landscaping and location.

From the moment you arrive, you'll notice the care and quality that has gone into this property. With new Hardie board siding, updated windows, and great curb appeal, the home sits proudly on a generous, private lot.

Step inside and be wowed by the contemporary updates throughout over 1,900 sq ft of living space. Luxury vinyl plank flooring flows throughout the main and upper levels, a spacious dining area, and a beautifully designed modern kitchen, the true heart of the home. Outfitted with custom white cabinetry, quartz countertops, professional-grade stainless steel appliances, built-in panel refrigerator and a large breakfast island, the kitchen is as functional as it is elegant.

Adjacent to the kitchen is a renovated mudroom with built-in bench seating, cabinetry, main-floor laundry, and a stylish
