Step into this immaculate 2-bedroom apartment, located in a well-maintained, 5-year-old building. Designed with a spacious open-concept layout, it features 9-foot ceilings and large windows that flood the space with natural light. Its east-facing orientation ensures bright mornings and avoids the summer heat. Wide-plank vinyl flooring flows throughout the main living areas, creating a warm and cohesive feel. The elegant kitchen is centered around a functional island topped with light quartz, featuring a double under-mount sink, built-in dishwasher, and an extended ledge with seating for four. The kitchen seamlessly opens to the living room, which overlooks the largest patio in the building—perfect for outdoor entertaining. The well-sized primary bedroom includes a full en-suite with double sinks and a generous walk-in closet. The second bedroom is thoughtfully located on the opposite side of the living space, ideal for privacy or shared living arrangements.
