Mobile on 0.00 Acres

Bashaw, Bashaw, Alberta

Best family location on the east side of Bashaw, right next to the playground! One block from the fish pond, three walking blocks to Main Street. With a highly functional open floor plan, Composite Granite countertops and Stainless Steel appliances. It's a grand feeling with a vaulted ceiling! 2X6 construction makes this a solid home with better insulation value than the 2X4 units. Three beds total, two on the north end of the house right next to a bathroom and a Master Bedroom on the south end with it's own walk-in closet and ensuite. A very nice starter home, or a perfect place for someone to get their feet under them. However, the best potential here may be as a revenue property. Bashaw is the best town ever with a k-12 school, all the amenities, famous meat market, world class gun shop, great events going on across the road at the Ag. grounds all year long, and the largest lake in Alberta - Buffalo Lake, just ten minutes away!
