McKenzie Towne, Calgary, Alberta

2 main floor offices, a fitness room, a massive garage, AC, and 4 bedrooms! This fresh, bright, and clean 2-storey home in sought-after McKenzie Towne is move-in ready. Pop through the front gate into the fenced front yard, up the porch stairs, and into the large entryway. 9-foot ceilings and a ton of windows make the entire space feel massive. Just inside, you'll find Office #1 on your right and Office #2 on your left. Both offices are perfect for work-from-home days, with space for a desk, credenza, bookshelf, and a big TV on the wall. They can also be used as a bedroom, dedicated dining room, or main-floor playroom. Continue down the hall into the spacious, open kitchen with tons of cabinet space, a full-sized pantry, and a family-sized island. The kitchen overlooks the oversized living room with a fireplace and room for even the biggest comfy couch. Head toward the rear past the full dining area, half bath, big mudroom, and main-floor laundry. The backyard is private and quiet—perfect for your dog, your kids, and drinks by the firepit. The garage is huge and was built to fit 2 vehicles plus a golf simulator or a full workshop. Back inside and upstairs, you'll find 2 large bedrooms, a main 4-piece bathroom, and an incredibly spacious primary bedroom with an ensuite that includes double sinks, a soaker tub, and a separate shower. The basement is fully finished with a dedicated fitness room (no more gym membership!), a flex area (could be a wet bar), a huge rec

room, a 4th large bedroom, and a 3-piece bathroom. Christmas move-in is negotiableâ€”donâ€™t wait to see it!
